Staff Of '81

Although this year's staff had many problems, they overcame them and came through in the end. When the pressure was on, the effort and hard work of staff members came through - especially in those who were dedicated. This yearbook is special to me and all of the other seniors on the staff, because we know that this is our last year in high school, and the last time we will ever have an experience like this. Even though we had problems, the good points and fun times stood out above all. I would like to congratulate the staff for achieving the goal of turning out an excellent annual. I would also like to say it was a pleasure, and that it was an honor to be editor of this staff.

On behalf of the Board of Education and the staff of Gonzales Union High School, I wish to congratulate you on the successful close of your high school experience. As educators, we hope your four years at G.U.H.S. have been productive in the development of skills and the ability to form responsible decisions concerning yourself, your colleagues, and your environment. As citizens we hope you will emerge into the community as creative and productive members of our social fabric. As humanists we hope you have grown as

a person and as people from your experiences here, and that you will continue to grow and learn and define yourselves in the years to come.

Best wishes for your futures - continue to practice the pride in yourself and your work that has made Gonzales High School the fine educational institution it has been during your last four years.

We - the Student Body, the staff, the Administration - have come to the end of this school year, and we accomplished a lot of good things by working together and doing our best in everything we did. We went through many rough moments; however, we always faced them. I expected everything to come out alright because, "There can be no rainbow without a cloud and a storm." This year, we had at least one rainbow for every cloud and storm we faced. Thank you all for your help and spirit.

Hemos - Cuerpo Estudiantil, Maestros, y Administracion - llegado al final de este año escolar, y hemos logrado muchas cosas buenas trabajando juntos y haciendo lo tiempos muy difíciles; sin embargo, siempre los afrontamos firmemente. Yo confiaba en que todo saliera bien puesto que, "No puede haber arco-iris sin una nube y una tormenta." Afirmativamente, esta año tuvimos por los menos un arco-iris por cada tormenta que pasamos. Gracias todos por su ayuda y buen espíritu.

This year's dedication goes to a very well deserving person that many people not only enjoy having as a teacher, but as a friend. For the reason he cares and because he wants everyone of his students to succeed with their own abilities. In his many time consuming classes he strives to get the highest potential out of his students. The many awards and outstanding students he has led would tell you the quality of his teaching and guiding. There are not enough words to describe the yearbook staff's and many other fortunate people's appreciation for his countless extra hours and support.

These are few of the many reasons we feel you deserve this special dedication. The Spartan Montage staff would just like to say, "Thanks" Mr. "D", for being a great advisor, teacher, and most importantly, a friend.

Sherry,

you are extra special to me Sherry. I will always be special to me. I wish this year wasn't over so soon. Too bad we found each other at the end of the year.

I say that because I want to be with you all of the time. I know during the summer I won't get to see you as much. I'm going to miss you something fierce. Gee, I can't even attempt to say how much I love you. I love you. I did love you 30 times over if I could. I'm trying to say something special, but I just can't find the words. I'd better see you alot this summer, or I'll be mad. Well you just told me not to write more than you did, so I won't. Always remember that I love you.

Love forever and Always

I really don't know what to say or write. You know the way that I have felt for you. I have written that in the letters that I wrote to you. I said that I had loved you and I did. It hurt me bad when I saw that letter, but what can I do. Nothing probably. But, even now, I don't know why, but I still feel for you a great deal. Yes, It kinda hurts to see you with Sean, but that's the way it is. All I want to say is that we're still friends, I guess if you want to. And maybe things will change over the summer, and at the beginning of next year we can try something new. But, until then keep in touch and see you later Love you,

To start things off, I would especially like to thank Ms. Zetony for helping me through this year and making it the best ever for everyone. I would also like to thank our other advisors, Mrs. Pinon, Ms. Stenbit, and Ms. Barber.

Well classmates, we have made it! It's hard to believe that we're graduating. Remember when we entered GUHS as freshmen and how scared and lost we were? We've come a long way, 4 years is a long time, but we hung in there as the proud class of '81. We've had some good times, and some bad, but they are all memories that will last a life time. Through 4 years we've gotten to know each other alot better and we've started friendships that will never end. Whenever one of us is in need, we can count on others for help; perhaps this is why our class is a special one.

Although our time was limited, we raised the funds that were needed for our senior trip. This just goes to show that with our togetherness that we seniors have developed through the years, we can accomplish anything.

Take care & Stand proud.

Boys and Girls State

This camp sponsored by the American Legion Auxillary, took place at Sacramento State University. The whole program was set up so that they could participate in a mock government. There were 535 girls and 989 boys from all over the state. On two different weeks, they were involved in elections, rallies, and legislative activities throughout the whole week. The highlight of their trip was a visit to the capitol where they met the Governor.

Camp Royal

This camp sponsored by the Rotary Club was held in Sequoia National Park. At this camp the students heard from many speakers including Jim Tunney, a head N.F.L. referee, world reporters, an ambassador from Columbia, and people from NASA. They learned a lot about leadership, and participated on the Camp Royal Newspaper staff and also the annual staff.

1980 SPARTAN SENIORS

herb

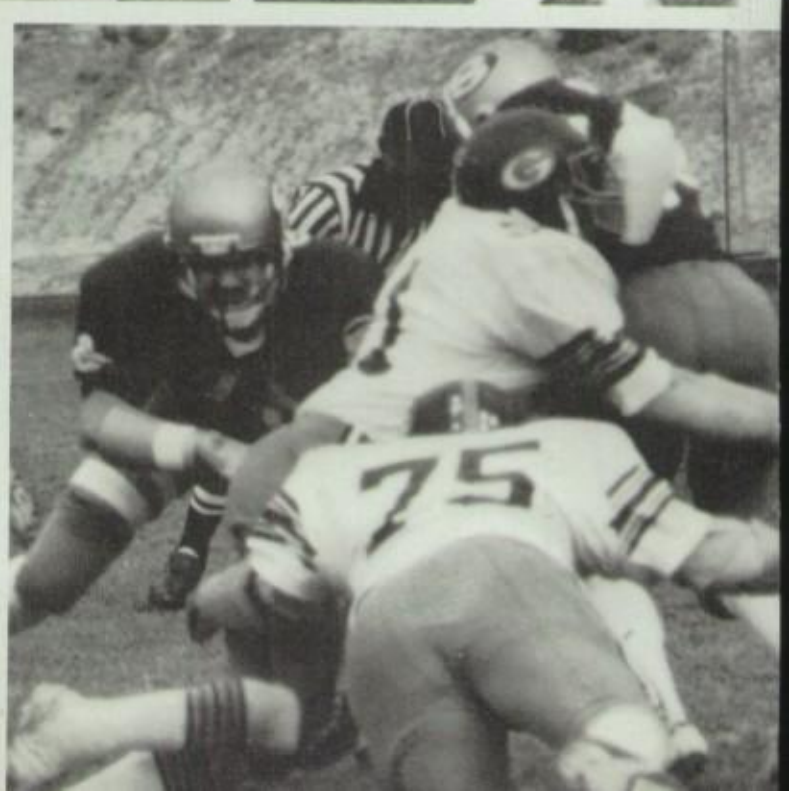

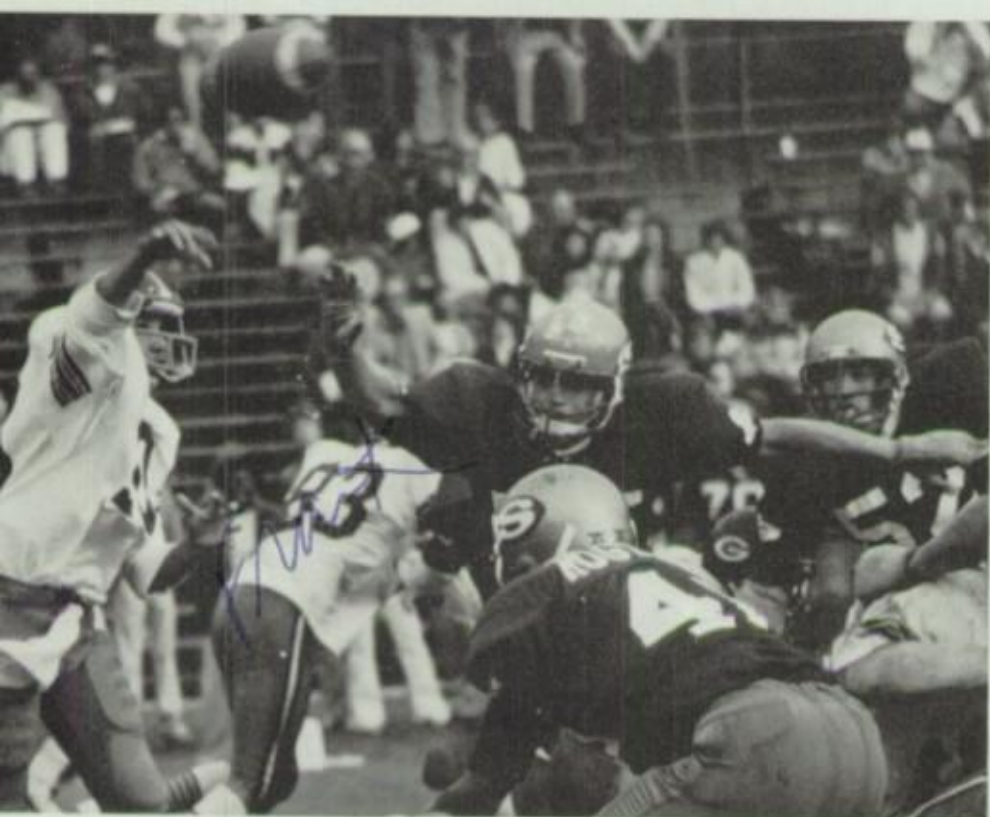

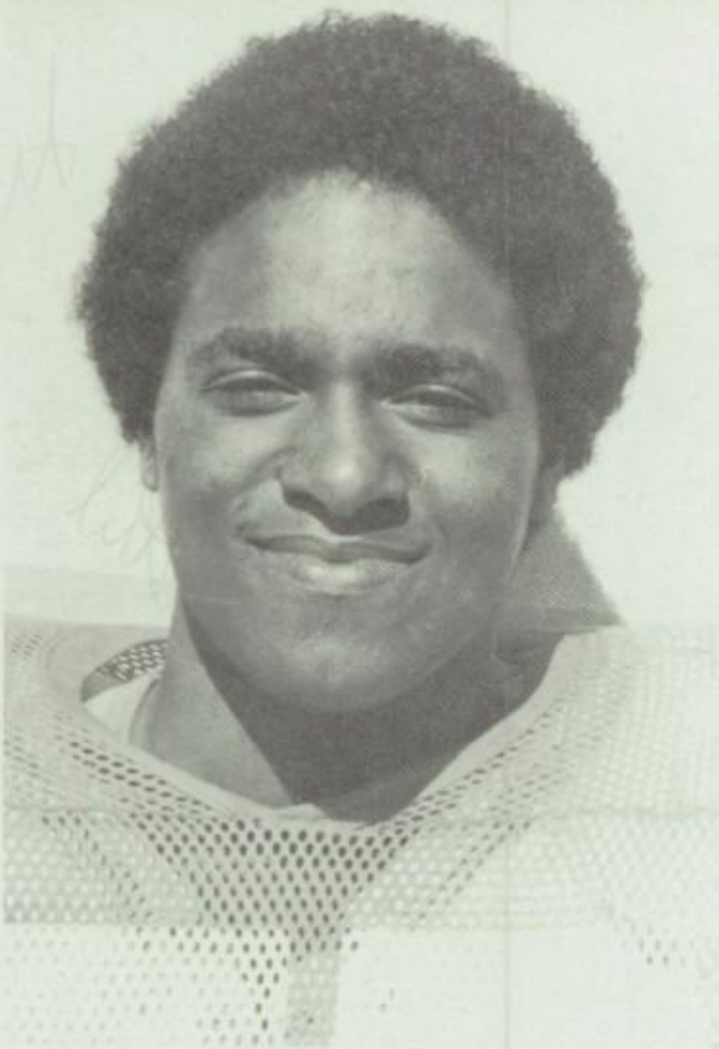

The 1980 Gonzales Spartans didn't have one of there great seasons this year, but came through with alot of hope for the future. The Spartans started off on the right track by destroying both Santa Cruz and the Carmel Padres by big scores. The Spartans were tough company in every game, but the lack of depth in the ball club affected the team's outcome in many games. Head coach John Pakish and assistant coaches, Wheatie Tavernetti and Mike Brusa, deserve alot of recognition for all their time and effort.

The Gonzales High JV team had a fairly good season for 1980. The squad showed determination, poise, and Spartan pride in all of their games. The future of Gonzales High Football lies with these JVs. If the JV squad shows determination and dedication, the Gonzales High School football team can be a superb one in the future.

The 1980 Spartababes were led by head coach Roger Fernando and assisted by Mingo Gonzales and Gilbert Velasquez.

If one word could describe this year's Freshmen football team it would have to be improved. With the running of Sammy Perez and the blocking of Renel Gatton the team had a good start. Midway through the season they lost two important games, but were triumphant in the last two.

The girls' team not only completed, but had tremendous success breaking into a league that has established programs. They managed to get 6th in the league out of 8 teams including Santa Catalina, an all girls' school. They beat Carmel and R.L.S. They not only improved as individuals on the field, but gained greater self-confidence and self-esteem. They enjoyed themselves for the most part.

The Boys' Varsity Team finished in 6th place with a 2 and 5 record. They had some success, but missed Antonio Margarito's services. Andres Flores and Joaquin Higuera, two sophomores, and veteran juniors, Joe Carrasco and Alex Rubio took up the slack and did an excellent job.

The Junior Varsity Team finished in 4th place with a 4 and 3 record. The freshmen Team had a great dual meet season of 6 and 1, but finished 3rd overall in the league championship meet.

After Christmas, The Spartans met Palma and defeated them 60-12, with Hollister being their next opponent, they defeated them 60-12. Gonzales entered the Dick Force Tournament and captured the championship out of 16 High Schools with Artie Rosillo placing first in his weight class. Their last dual meet. of the year was against Carmel with the Final score 52-19. This gave the Spartans an overall record of 5-1. At the MTAL Championships, they finished in sixth place overall.

The 1980-81 Junior Varsity Wrestling season was very successful. The team ended the season with a dual match record of 5 wins and 1 loss. The JVs also had several successful tournaments having many individual medal winners.

At the Silver Creek Frosh-Soph Tournament, medal winners for Gonzales High School were; Jose Estrada, Second place, Martin Martinez, third place, Alex Salas, third place, and Ranel Gatón, fourth place. Individual winners at the Tilroy Frosh Tournament were; Carlos Estrada, second place, Martin Martinez, second place, Gilbert Cavazos, second place, and Ranel Gatón, third place.

The JVs ended their season on a very high note. At the MTAL Junior Varsity Tournament, the JVs had individual place winners at each weight class they had entered. The future looks very bright for Gonzales Wrestling because many of these JVs still be returning and wrestling for the Varsity team.

Highlights of the season included the Varsity's first tournament game ever won, beating St. Joseph in the Atascadero Tournament 39-37. This sent them into the Consolation Championship game of the Tournament, which was lost 36-37 on the final shot of the game. The Varsity also won their first game over an M.B.L. team in 5 years defeating Salinas High 45-39. During M.T.A.L. Play, wins over RLS 44-36 And 49-26, King City 45-31, and North County 53-48 and 35-25 were highlights. Also, two exciting games at home that were lost in the final seconds were memorable: 40-43 to defending M.T.A.L. Champs Carmel, and 32-35 to playoff bound Pacific Grove. All in all, the Spartans had their most competitive season to date, fielding a well skilled, but physically small team. The girls played as a team on most nights, working well together offensively and defensively. The girls were known to have one of the best defensive teams in the league.

The JV squad of 7 sophomores and 5 freshmen got the regular season off to a great start with a 5-2 record. When Rhonda Bentz transferred to another school and Kelly Conley was sidelined with a injury for 2 games. As Conley returned to action at Carmel, Carrie Sinclair was injured in that game, which was lost 39-40. After three losses, the JV's were able to field a healthy team and beat King City 35-19 and North County 27-14. Their final league mark was 7-5, good for a third place tie with North County. The overall record was 10-8, overall the best JV record to date.

As they had been for the past two seasons, the Spartan J.V. Soccer team was one of the top teams in the M.T.A.L. Under the direction of Antonio Margarito from the midfield, Joaquin Higuera, Elias Godoy, and Luis Rodriguez made up a high-scoring offense. Gustavo Uribe led the defense at point man, and Hector Mosqueda and Ruben Mendez anchored the back line with skill and tough play. David Renteria showed fine skill in the midfield, making clever passes to the forwards. Tony Sanchez played both on the field and in goal he showed excellent speed and courage. Luis Ramirez, Jose Pacheco and Raul Sepulveda all worked hard to help the team. Alfredo Lopez came out in the second half of the season to bring new life to the team and excellent offensive and defensive skills. Andres Flores also returned to the team and added strength to both the J.V. and Varsity squads. Carlos Torres played more positions than anyone else and made some key contributions during a long season.

Varsity season began with a feeling of strength and Spartan pride. Returning All-League forward Benjamin Gutierrez and Second Team All-League defenders, Sam Velarde and Jose Gamiz, led the team to a second place finish in the M.T.A.L. Soccer Jamboree. Freshmen such as Valdez, Arreguin, and Farias, all added excellent new talent to the varsity squad. While veterans, Alex Rubio and Ricardo Almanza, added depth and fighting spirit to the young team. Martin Trujillo, goalie, made many fine saves. Ventura Flores played very solidly on defense. Jose Iracheta and Juan Sanchez showed speed and skill on offense and were dangerous near the goal—often scoring with great speed. Marcos Martinez showed improvement and played well on defense and in midfield. The team was 1-2-0 in the pre-season and a league record of 7-4-1.

Even though the JV squad was extremely small and had to play two positions short all season, we still tied for the Championship of MTAL. Of our nine JV players only one was a returnee from last year. All of the rest of the team was inexperienced but they learned enough stick work and performed well enough to tie for the MTAL Championship.

The Field Hockey team this year was composed of only eleven players with no subs available of these starting 11, 9 of them are seniors and there will be only two returning players next year. Competition was especially keen this year as all the teams had more depth than Gonzales. The team had an up and down season and ended in third place. We had several very exciting games which were well-played. Our over-all record was 3-3-4 and our league record was 2-3-1.

Something that happened all year was that the Spartans played tough and hard against stronger and better teams, yet not as good against the teams they should have competed with. Although this year's team did not have a winning season, it gained something that will be sure to help next year's team. Experience. At the beginning of the season the team had four juniors starting. The playing time and experience those four received improved them throughout the year. With all the juniors returning and some good talent coming from the J.V. team, the 1981-82 ball club should have a good season.

The 1980-81 J.V. Basketball players ended the season with 7 wins and 7 losses. The J.V. team started off the first league game with a win over North Monterey County with a score of 54-43. Mr. Eddie Lopez did a super job at coaching the J.V. team as his first year here at Gonzales.

Although the boys freshman team had a league record of 5 wins and 5 losses this year, the team showed remarkable improvement and desire in their play. Individually many of the boys on the team proved to be tough opponents for their league rivals. Next year they should make a good J.V. team.

The Boys Varsity and Frosh-Soph teams had their share of problems in dual meets this year because of a lack of good depth and participation. On the Varsity level we looked at Ron Thompson's individual outstanding year in the Hurdles, Triple-Jump, High-Jump, and Long-Jump. Alex Rubio, a Junior, has been involved in track for 3 years. Alex had good success in the High Hurdles and Low Hurdles. Newcomers were Hervey Macias and Sam Velarde who were both Looking good at the end of the season. Jesse Moncayo, a Junior, had much improved in the sprints and in the High-Jump at the end of this season. All the boys on the team have gained much experience and knowledge this year, and the team will be expecting most of the members back for next years season.

The Girl's Varsity had 15 girls out this year. Though it was not enough for team depth, the girls' quality sufficed. This was mainly a result of 4 seniors and 1 junior athletes that have been involved in the program for 4 and 3 year. They were Linda Kurano, Janet Matsuno, Gloria Souza, and Teffie Catbagan-Seniors and Kathy Matsui-Junior. Linda and Gloria were at the top in the league in sprints and long-jump. Teffie was at the top in the league in Shot Put, Discus, and Janet in the High Jump, Long-Jump, and Hurdles. Kathy Matsui was potentially the best in the 220, 440, and 880. The team also had depth with distance runners Sonia Velarde, Eva Romero, Sarali Castillo, and Leticia Medina. The Freshmen and Sophomores also added a great deal of skill to the team. They were Sandra Ortiz, Pat Santos, Mary Doyle, Kat Quiane, and Joy Ventura.

The Frosh-Soph Level was loaded with talent, but had no depth and little experience in Track and Field. The Perez Family was well represented Jay, Dan, and Sam Perez. Dan- Discus, and S.P., Jay- Sprints and L.J., Sam - Sprints and H.J., Antonio Margito and Andres Flores were joined by Jesus Argueta and Joaquim Higuera to make up a fine distance team. There were many potentially good freshman, among them were Clarence Woods, Tony Murillo, Tim Matheim, Ronnie Lau, and Andy Gomez. Juan Sanchez had an excellent year in the sprints and long-jump.

Senior Make-Ups

We, the Senior Class of 1981, would like to take this time and space to express our gratitude to our Senior Advisors. Linda Zetoony, Marylou Stenbit, Diane Barber, and Hortencia Pinon, THANK YOU for your time, love, and faith in us. Without these generous gifts, our Senior year wouldn't have been memorable.

Many times when we wanted to give up, you gave us the desire to go on and finish our jobs. We achieved our goals and that is important. We respected your judgment and the fact that you never let us down. It's special people like yourselves that are remembered fondly.

Again, thank you

people we know and people we knew.
growing together, then drifting apart,
always an ending . . . and now
a new start.

at graduation, we all grow nearer-
all of our friends seem so much dearer.
as we say our 'final' goodbye-
one last embrace and one more cry,
a "keep in touch" and a "promise that
I will",

a "remember when", but-better still,
a place in our hearts these memories
will stay,
of all that has transpired,
as we go on our way.

The Gonzales High Stage Band traveled to the Annual Chaffy College Jazz Festival March 20 and 21 where they participated with over 150 other bands in a jazz competition. The Southern California festival was organized into ten different divisions, ranging from elementary schools to university bands. Chaffy is one of the largest band festivals in California with bands coming from Oregon, Nevada, Utah, Hawaii, and Idaho.

By participating in such an event, the GUHS music students were able to hear a wide variety of styles, proficiency levels, and abilities-expanding their physical appreciation, and helping them to become better performers. Since music is the universal language, a tremendous amount of understanding occurs among all students participating.

The return trip was high lighted with a stop at Magic Mountain, where everyone enjoyed themselves.

As we open this section of the **Spartan-Montage '81** annual and flashback between past and present, let's all take some time to enjoy the good times that have occurred this year, while pondering the future to come. I'd like to thank the yearbook staff for the effort they've put in- alot of people don't realize what it really takes to get the job done. Also I'd like to thank the 2 staff members who joined at the semester-Michelle Courrejou & Alesia Uchida for helping to make the Spartan yearbook a great experience.

Sherry,

When I think of you
your spirit stands out above
everything else. You are always
the one who finds a way to
have fun. (At least the times that
I have been around) I don't know
if that spirit comes from cheerleading,
but I would assume that it
is natural. That spirit has
rubbed off on me.

If you will keep touching
the lives around you as you
have mine, you will make a lot of
people happy. Thanks.
